

Welcome to Classics4life Radio, we truly are thankful for you coming by to listen to our station. With an elite repertoire of the greatest music legends of the seventies, and eighties, Classics4life Radio is committed to its listeners to provide a refined level of broadcast entertainment. Classics4life Radio's 24-7 stream reaches across the globe throughout Europe, North and South America, Australia, Japan and Africa, highlighting the greats of Funk, Soul, Disco and Rare Grooves. Classics4life Radios successfulness is solely built upon developing sound foundations with Master Deejays which share their own gift of expression and passion to please our listeners with their weekly segmented broadcast productions. Classics4life Radio Founders are very proud to focus their attention within this genre as they triumphantly declare this was the best era in music ever and shall remain the "music of a lifetime!". Enjoy listening!

The Classics4Life Radio crew.
